

FELDHERR

Grape variety: Cabernet Sauvignon, Cabernet Franc, Carmenère and partners.

Planting year: 1992

Yield/ha: 70 ql at 280 a.m.s.l.

This vine grows in a sandy lime and rounded granite stony soil. A high quality Cuvee which is matured for 2 years in oak barrels, then one year in the bottle. Unfiltered, garnet red and purple, a noble wine with great structure. Aromas reminiscent of currants, blueberries, blackberries and cedar wood. Feldherr reaches its ultimate velvet beauty after 5-6 years.

Serving temperature: 18-20 °C

Ageing potential: 10 years
